

MERCURY LIFT CHAIR

Mercury CH4011 (Dark Brown) CH4013 (Sand) CH4021 (Black)

The Mercury lift chair is an infinite position lift chair available with dark brown, black or sand coloured genuine top grain leather upholstery. While it comes fitted with rubber pads to prevent floor damage and provide stable positioning, the 4 supplied locking casters can be installed to ease repositioning the chair. Additionally, the Mercury comes equipped with an adjustable tray, a cup holder for user convenience and heat and vibrate.

With a Medium/Short size rating, this chair will accommodate people of average widths and shorter heights.

- Infinite position recline
- Four locking swivel casters included
- Top grain Leather upholstery
- Adjustable tray and cup holder
- Heat and Vibrate

The spring assisted footrest on all models will flip up if it comes in contact with an obstruction when lowering to minimize injury or damage.

Supplied locking swivel casters can be installed on all models to enable easy movement of the chair. Ideal for users who may want to move their chair occasionally and/or rental units.

Our Mercury models include a cup holder, adjustable tray for the convenience of the user.

FEATURES:

- Lounger style that fully supports the legs (no gap between footrest & seat)
- Removable back for easy handling
